## PARTNERSHIPS

### Safe in the Panhandle

- Provided an Operational Grant to cover salaries and admin expenses so that donations to the organization could go directly to meeting the needs of survivors during their escape to a safe place.

### Rescue America

- Rescue America exists to rescue, revive and empower the sexually exploited through a 24/7 Rescue hotline and emergency response. We have been able to refer survivors specifically seeking a safe home to their organization for help with escape, as we walk alongside providing additional encouragement, ministry and resources.

### Empower Her Network

- Empower Her Network partners with trafficking survivors to achieve their economic freedom. We have the honor of being able to nominate survivors that have been out of sexual exploitation for 6 months or greater to become members of EHN and receive support.

**We want to say THANK YOU to our Partners, South Walton DMV, and EVERY individual who gave in 2023! You have changed the lives of 44 survivors through your compassion!**
